I am a happy child (song)

I am free, being me, I am a happy child,

I am free, being me, I am a happy child,

I deeply, and completely, Love myself..

I need rest, to do my best, I am a happy child

I need rest to do my best, I am a happy child

I deeply, and completely, love myself..

When I'm tapping, great things happen, I am a
happy child,

When I'm tapping, great things happen, I am a
happy child,

I deeply and completely, love myself...

I let go from head to toe, I am a happy child,

I let go from head to toe, I am a happy child,

I deeply, and completely, love myself....
